

School library project

PLAN

Why?

Helps define goals and objectives

Enables effective resource management

Facilitates communication and collaboration

Project Task Ideas

- Plan a FOSIL inquiry within English
- Use FOSIL to engage your History Department
- Guide your Science Department through the inquiry process
- Organise an inquiry project for year 7 or year 9

Inspiration

To start any project a school librarian must ask themselves these questions

- **Why am I doing this and what am I hoping to achieve?**
- **How does this link to my school and library aims?**
- **How will this help me work more collaboratively with teaching staff?**
- **Where can I find the resources I need?**
